Citywide Protest for Responsible Growth

Come be part of a citywide protest against the City of San Diego's destructive high-density housing proposals, with rallies taking place in University City, Clairemont, Uptown, Normal Heights and the College Area all on the same day. We're sending a message to City Hall that destroying our neighborhoods is *not* okay!

Saturday, May 6th, 10 a.m. to Noon
Corners of Governor Drive & Genesee Avenue
